HOMEFRONT DEVELOPMENT CORPORATION is a private non-profit organization serving Warren, Washington and northern Saratoga counties. Our mission is to provide low to moderate income households with housing they can afford.

HomeFront and the Town of Greenwich are now researching the need for affordable senior apartments in the Greenwich area.

We are surveying area residents to help us understand the kind of housing needs that exist for **independent seniors (62+)**. *Please take a minute to answer this survey. Your opinion will help us to finalize our plans for this small senior housing project.*

Each newly constructed apartment will have one or two bedrooms, a very large bathroom, and kitchen, washer and dryer hook-ups, a large storage area, in addition to a nice living room. The availability of one and two bedroom apartments will be based on this survey results.

HomeFront is excited about the opportunity to provide safe, affordable, new, senior housing in the Town of Greenwich. We hope you are too.
